

MANCHESTER COMMUNITY COLLEGE

Pets in Campus Buildings Policy

Animals and pets are not permitted in campus buildings, with one exception: any guide dog, signal dog or other animal individually trained (or undergoing training) to provide assistance to an individual with a disability. Service dogs must be identified while on campus wearing the appropriate service dog attire. Service animals in training must receive prior approval of the President's Cabinet before coming onto campus. This request should be initiated in writing to the attention of the college president. This policy applies to all students, faculty and staff.

Students in violation of this policy will go through the judicial process. In the case of faculty or staff, violations shall be reported to the appropriate supervisor to initiate corrective action.
